

## WELCOME! E KOMO MAI!

To our valued visitors: Please follow these practices for everyone's safety, and help prevent the spread of respiratory diseases like COVID-19

**To our valued visiting teachers and chaperones:** Please note these practices we are following for your group's health and safety:

For your visit, the Museum and Mission House are reserved for your exclusive use; no other members of the public will be admitted during your session

Before and after your visit, the Museum and Mission House will be disinfected/sanitized

**To our valued visiting students, teachers, and chaperones:** Please follow these practices for everyone's safety, and help prevent the spread of respiratory diseases like COVID-19:

Masks are required at all times in the Museum and Mission House

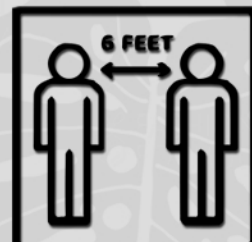

Please use the hand sanitizers available as you enter, and throughout the Museum

Please maintain physical distancing from others not in your class or school group

Please follow the one-way traffic arrows on the carpet

Only two persons at a time are allowed in each restroom; please be sure to wash your hands!

No food or drink allowed in the Museum or Mission House

**IF YOU ARE SICK** (fever, cough or shortness of breath), please return when you are in better health

MAHALO for your cooperation  
and understanding!

**Lyman Museum**  
and Mission House
